

Trusted by Families

Choosing a new home for a parent, spouse, or loved one is never easy.

At Luxcare we walk behind families with compassion & professionalism, creating a safe and welcoming environment where every individual is honored with dignity and a true sense of belonging here, your family becomes part of ours.

*Welcome to a different kind of care.
A place where compassion meets expertise, and every day feels like home.*

More Than Just Care: A Life Lived Fully

We believe in care that honors the whole person—not just their needs, but their life story, their preferences, and their dignity.

By listening deeply and partnering with your family, we provide a compassionate and personalized approach that brings peace of mind and fosters genuine well-being.

Pet Friendly

While residents cannot keep pets in the home, visiting family pets are always welcome to bring joy, comfort and companionship to your loved ones.

What We Do

Assisted Living Care

Helping seniors with daily activities like bathing, dressing, and grooming while encouraging independence and self-confidence in a supportive home environment.

24/7 Skilled Nursing & Support

Our trained team provides round-the-clock medical care, including medication management and health monitoring, with precision and empathy.

Specialized Memory & Dementia Care

A secure, structured, and nurturing environment designed to support residents with Alzheimer's and dementia, reducing anxiety and promoting moments of connection.

Coordination of Care

We work closely with therapists, hospice, and other providers to ensure comprehensive care for our residents.
